Did this course meet your expectations?

I wish that it incorporated CPR but that would require more time. Otherwise it was great!

What were the positive aspects of the course? I liked all the scenarios & chances to practice rescues. It was good to be both a patient & a rescuer.

What could we do to improve the program?

It would be helpful to have more instructors in order for more one-on-one instruction.

What did you think of the instructors?

He was good. He got through a lot of material & clearly answered questions & explained things.

Would you recommend this course to others?

Yes, definitely.

What other programs would you like to see us offer?

not sure

Thank You!

SOLO is constantly striving to provide the best educational experience possible. Your comments, criticisms and ideas are very important to us. Please give specific answers to these questions.

Did this course meet your expectations? YES

What were the positive aspects of the course?

VERY CLEAR LECTURE + COURSE MATERIALS. (see reverse)

What could we do to improve the program?

Lots of information is already included, but possibly move  
Simulation? (Might not be time.)

What did you think of the instructors?

HELPEFUL & KNOWLEDGABLE. STAYED ON TOPIC ... DIFFICULT TO  
DO WHEN "EVERYONE HAS A STORY"

Would you recommend this course to others?

ABSOLUTELY.

What other programs would you like to see us offer?

Although one doesn't often go hiking with very pregnant women,  
I wonder if a course on women's issues in wilderness

Thank You!  
EVAL2.wpfwin

medicine would be useful -- ectopic pregnancies,  
expelling IUDs, etc.

Stonehearth Open Learning Opportunities, Inc.  
P.O. Box 3150 • Conway, NH 03818 • 603-447-6711

(POSITIVE)

I get very nervous about putting my hands on people I don't know, Having the ~~the~~ course information AND simulations made me much more confident in providing help. Also, it's super helpful to know about checking out someone's spine. That's one of the biggest problems we face when people fall or otherwise injure themselves in remote areas while on a class. Thanks!

SOLO is constantly striving to provide the best educational experience possible. Your comments, criticisms and ideas are very important to us. Please give specific answers to these questions.

Did this course meet your expectations?

Yes.

What were the positive aspects of the course?

excellent instructor - see below. Outdoor scenarios very careful.

What could we do to improve the program?

Sometimes hard to know in scenarios what "imaginary" constraints are in play (location, are big objects moveable, is water accessible, etc.)

What did you think of the instructors?

Great - clear, knowledgeable, very good class management, demeanor, pacing.

Would you recommend this course to others?

Yes.

What other programs would you like to see us offer?
